It is our intention that each student be shown the love of Christ through our planned activities and relationships with each other and with our counselors. Our staff/volunteers have gone through training and have expressed a desire to work in a Christian atmosphere. They have also had background checks run and positive references given. We do our very best to provide quality staff/volunteers who have a desire to see your child have an uplifting time! Most of our staff are CPR certified and we have a certified lifeguard present during swimming times.
