We are committed to providing a Christian staff that desires to see your child fully enjoy the summer in a Christ centered atmosphere. It is our intention that each student be shown the love of Christ through our planned activities and relationships with each other and with our counselors. Our staff/volunteers have gone through training and have expressed a desire to work in a Christian atmosphere. They have also had background checks run and positive references given. We do our very best to provide quality staff/volunteers who have a desire to see your child have an uplifting time! Most of our staff are CPR certified and we have a certified lifeguard present during swimming times.
